

Green Mountain Unified School District
2018-2019 Revenue and Expenses

Each of the numbers below can be found on the expense report to give a brief explanation of the overage:

1. General State Support Grant – unreceived balance of (\$203,389) is (\$153,349) for Vo-ed; (\$93,359) Health recapture and addition tax credit of \$43,018. Vo-ed is pulled out on its own line right below and this if the last year of the health recapture
2. Hot Lunch program district wide – a loss of (\$76,581)
3. Nurse Sub – Nurse staffing issues
4. Mentoring – Not budgeted; Mentoring are assigned to each new teacher hired
5. Transportation Study done last spring and fall
6. Legal – already been discussed
7. Transition funds – has offsetting revenue
8. Transportation Assessment – Salaries and Benefits; increase in pay for bus drivers
9. Short Term Interest on Line of Credit – Not budgeted
10. Special Ed Assessment –Tuition up; Transportation down; addition of Autism program Moving forward – additional students coming back to Autism program and we have had interest from another district looking to place a student in the program. We are as looking into creating other programs within the district to bring our student back to our schools. This is important with the implementation of Act 173.
11. EEE Assessment – Students Needs
12. CAES – Additional Para needed
13. Mental Health – more support time needed
14. CTES – Repairs & Maintenance – overdue projects
15. Telephone & Internet – Change in systems; not budgeted enough
16. Subs – time between para resignation and new para hired

17. Medicaid Clerk – budgeted with salary and benefits; staff change ended with it being a purchased service
18. Springfield School District – change in tuition structure; also a prior year credit from reconciling the old billing system
19. Staffing change
20. Pay change for staff after budget was set
21. Dental – new in April; part of contingency amount
22. Mental Health – more support needed
23. Change in staff
24. Water Damage – Net expense to district after emergency funds - \$112,408
25. Prior year correction for capital reserve in Chester-Andover. Funds were moved in the bank but an entry was not done in the general ledger
26. Staff – more hours needed in the beginning of the year
27. USDA Commodities – never budget for this; entry done at year end to reflect what was received; entry done is both a revenue and expense; 0 impact on the budget
28. Special Ed subs – time between para resignation and new para hire; see saving in salaries
29. Special Ed not eligible – all staff working in special education are required to do time studies twice a year. The results of those studies are averaged together to get a percentage of time that is allowed to be used as special ed expense and that we can get reimbursed for. This dis-allowed time results from service not on an IEP or lunch duty or playground duty. Moving forward we will have the support staff code their payroll for time doing lunch or playground duty.
30. Staffing change
31. H.S.A./HRA – HRA's are a wild card budget item; we can't predict what expenses there may be
32. High School Completion – never budgeted for; entry done quarterly and done with a revenue and expense; has 0 impact on the budget

33. Online Classes – not budgeted for
34. Support Staff changes in salaries from negotiations; part of contingency
35. Portable toilets and extra carpets during time the elementary was in the building
36. Extra trash pickups when the extra students were in the building
37. Septic Repair - \$8K and Water Heater-2 of 3 went - \$7K
38. Heating oil – Price increase from budget \$1.99 to \$2.59; Ran 5 extra weeks; used 10,000 more gallons; started with an empty tank
39. Change in benefits
40. USDA Commodities – Same as 27
41. Additional Para needed
42. Additional Para time needed for program
43. Para's are shared between Function 1201 and 1210; net health expense (\$4052.02)
44. Time Studies – same as 29
45. Change in staffing

Anything I missed I'll be happy to answer at the meeting or you can send me an email.

Highlighted amounts are overall net savings to the specific function.

Year End: Deficit of (\$138,685.31)
