Dear TRSU Parents and Families,

As we plan for the reopening of school, I would like to again invite you to share your thoughts and concerns with us.

At the beginning of June, many of you responded to an initial survey about the fall. Last week, I sent you a basic description of our plans for the reopening of school. Please let us know your thoughts and suggestions about those plans by responding to this survey:

Thank you for sharing your ideas and questions with us.
