

TWO RIVERS SUPERVISORY UNION
LIMITED SCHOOL TRANSFER PROGRAM

Schools included in the program are Chester Andover Elementary School, Cavendish Town Elementary School, Ludlow Elementary School and Mount Holly Elementary School. This application must be submitted by the end of the business day on **April 17, 2024** to the Supervisory Union. The application will be forwarded to the requested receiving school. If an opening is available, the school will then contact you directly within five business days. Each school involved will accept students on the basis of space available, taking into consideration such factors as class size and class profiles. Under this program, six students from each school district may transfer to an elementary school in the other school district.

If more students apply than there are slots available, a lottery will be conducted.

If you are not selected in the lottery and an opening does not come available during the school year, you must complete a separate application for any other academic year for which you would like to be considered to participate in the limited school choice program.
