Karen Trimboli, Principal

May 2021

Dear Families,

It is amazing how quickly a school year can pass. As we are heading into the last several weeks of a challenging school year, I want to let you know that LES will be offering a summer Continuation of Learning Program over the summer for students who have completed kindergarten up through grade 6.

The purpose of the program is to reinforce and to build upon the student's skills. Students will be using their reading, writing and math skills in this program while using and concentrating on the Essential Skills and Dispositions (collaboration, communication, creativity and self-direction) as well. Students will use planning and reflection to monitor their personalized progress.

The program runs 3 days a week on Tuesdays, Wednesdays, and Thursdays from 9:00 AM to 12:00 PM over 5 weeks. It starts on July 13 and runs through August 12. The program is opened to all LES students.

Attached is a registration form for families to complete and to return to the school by the deadline May 18. I know it seems like a quick turnaround, but I need to know how many faculty and staff I will need to run the program.

Sincerely,

Mrs. Trimboli

Ludlow Elementary School
SAGE Summer School 2021 Registration

Students that are in-coming first graders through out-going sixth graders may be signed up for summer school. The dates are: Tuesday, Wednesday, Thursday, 9:00 am to 12:00 pm starting July 13 ending August 12th, 2021.

Student drop-off and pick-up needs to be prompt.

Name of Student: _____ Grade (on 9/7/21): _____ DOB: _____

Contact Information:

Name: _____ Relationship to Student: _____

Phone number: _____ email: _____

Address: _____

Emergency contact phone: _____

Parent Name: _____

Signature: _____ Date: _____

This form must be returned by May 18, 2021, in order for your child to receive summer services.
